Dear Sir,

I am writing to formally resign from my position as Maintenance Incharge (Emp Code -10004291) ,My effective last working day will be **12.05.2025**.

Due to some unavoidable personal circumstances and pressing family obligations, I find myself in a situation where I must step away from my professional responsibilities to focus on these matters. This has been a difficult decision, but I hope for your understanding and support.

I would like to express my sincere gratitude for the opportunities and experiences I've had during my time with the organization. Working here has been both professionally rewarding and personally meaningful.

As I prepare for my departure, I will do my best to ensure a smooth handover of duties. I also kindly request that you initiate the process of clearing my final dues, including any pending salary, benefits, or reimbursements, at your earliest convenience.

Thank you once again for your understanding and support.

I hope to stay in touch and wish the company continued success in the future.

Thanks & Regards,

Dear Sir ,

In continuation of the trail mail please note that I have inadvertently written my last working day as 12.05.2026 instead of **12.06.2026** . Please consider my last date of working will be **12.06.2026**.

Thanks and Regards ,
